# PONCE DE LEON

Open to the public year round, the Ponce Inlet Lighthouse is 175 feet of family fun in the Florida sun! Climb 203 steps to the top of Florida's tallest lighthouse and enjoy one of the most spectacular views of the Atlantic Ocean on the east coast. Located just ten miles south of Daytona on the World's Most Famous Beach, the Ponce de Leon Inlet Light Station is one of the largest and best preserved lighthouses in the United States.

# INLET LIGHTHOUSE

Built in 1887 and designated a National Historic Landmark in 1998, the Ponce Inlet Lighthouse is one of the few light stations in the country that still possesses all of its original keepers' dwellings and outbuildings. Step past the white picket fence and discover what turn-of-the-century life was like for the station's historic keepers and families.

Discover the unique history of lighthouse illumination as you tour the famous Ayres Davies Lens Building. Featuring one of the largest collections of historic Fresnel lenses in the world, this renowned exhibit includes two magnificent First Order Fresnel Lenses and much, much more.

Be sure to visit our unique lighthouse and nautical themed gift shop for the perfect souvenir or gift to commemorate your Florida vacation. Featuring a wide variety of products ranging from toys and clothing to housewares and art, the Gift Shop is guaranteed to have something for everyone. You may also shop online at
